

THE EX-PRISONERS TO HAVE A HOME
A Meeting for Organizing a Society Will Be Held Wednesday.

MR. WILEY TO HAVE CHARGE
A Number of Prominent People Are Behind the Movement.

Those in sympathy with a movement to form an organization for the aid of ex-prisoners in securing for them work, and in assisting them in other practical and desirable ways is about to become effective.

A well attended meeting recently held, was addressed by Messrs. George H. Wiley, E. F. Morgan, superintendent of the penitentiary; Burnett Lewis and Dr. Charles V. Carrington, all of whom are familiar with the situation and alive to the demands of such an organization.

Mr. Wiley was instructed to secure further information and to report at a meeting which will be held on Wednesday.

It has been determined that there will be no tuberculosis annex to the proposed home and that all of Mr. Wiley's energies will be directed towards prison work.

Necessary Fund Secured.

Mr. Alfred B. Williams when seen last night said that there was an earnest feeling directed towards organizing the Prisoners' Home, and that those interested had already secured the necessary funds for the work.

Mr. Morgan, superintendent of the penitentiary, he said, was heartily in accord with the movement and had promised his co-operation and assistance.

He said that at the last meeting an ex-prisoner had spoken in behalf of the plan and had given his own experiences in securing work and in finding a helping hand when he had left the penitentiary.

Mr. Burnett Lewis also told of a number of interesting cases that had come under his notice.

Amongst those who are interested in the work are Mr. and Mrs. John Stewart Bryan, Dr. Charles Venable Carrington, Mr. Alfred B. Williams, Mr. T. Archibald Cary, Mr. E. F. Morgan, Mr. Gray Watson and Mr. Stewart Hume.

RETAIL MEN MEET.
Merchants Have An Enthusiastic Gathering.

The first regular meeting of the Retail Merchants' Association of Richmond was held Thursday night in the assembly hall of Murphy's Hotel. The attendance was large, the meeting enthusiastic and every line of trade being represented by some of the most prominent retail merchants of the city. President T. A. Miller presided and reviewed the work accomplished, and stated, from the great interest and enthusiasm already manifested by the membership, the success of the association was assured. He spoke of the needs of such an association and the great good which could be accomplished by the retail trade through the influence of the organization, and consequently, the public at large, by giving them even better service. Applications for membership from a large number of retail merchants were received, and all were elected.

Mr. W. A. Clarke, Jr., was appointed secretary of the association, with temporary headquarters at 311 East Broad Street. Mr. Clarke will give his entire time to the work of the association.

In the opinion of many prominent merchants present at the meeting, it is a question of a short time only when practically every retail merchant in the city will be a member of the association.

Several questions of importance to the retail trade were considered and disposed of at this meeting. Committees were appointed to present the objects of the association to those merchants who are not now members, and to secure their applications. They will be assisted by the secretary in making this canvass.

The expense of such an exhibition amounts to somewhat over \$1,000 annually, and has hitherto been defrayed by one hundred public-minded men. Now the club wishes to take the exhibition on a practical and permanent working basis and to defray the expense by public contributions of one dollar or more.

WARNER'S SAFE CURE
CURES KIDNEYS

Mrs. Sarah Summa, Corsicana, Texas, writes: "Six months ago no one thought I could live. My limbs were badly bloated and painful. I had pains in my back and a ringing in my ears. The doctors could not help me, but my husband did not lose hope. He bought me a bottle of WARNER'S SAFE CURE and WARNER'S PILLS, and I began to improve at once. I am now entirely cured, and never felt better."

Are you tired? Low-spirited? Weak and listless? Have you a constant dulling ache in the small of your back? Have you chills? Scalding and pain when you urinate? A frequent desire to urinate? Are you troubled with sleeplessness? Have you loss of appetite? Is your food does not nourish your body and make you blood rich and red? Have you a bad taste in your mouth in the morning? If you have any of these symptoms your kidneys have been diseased for a long time, for kidney disease seldom put out such symptoms until they have been working several months and the tissues have been eaten away with the disease. You have every reason to be alarmed, and you should take WARNER'S SAFE CURE at once. You will find full directions with each bottle. WARNER'S SAFE CURE cures any form of kidney trouble, Bright's disease, diabetes, uric acid, rheumatism, inflammation of the bladder, gonorrhea, liver complaint, female weakness and irregular periods (female weakness and irregular periods are caused by kidney disease neglected), too frequent desire to urinate, stones in the bladder, blood disease, indigestion and headache. All these diseases originate in the kidneys. WARNER'S SAFE CURE is purely vegetable and contains no harmful drugs; it does not constipate; it is put up in two regular sizes, and is sold by all druggists at 50 CENTS and \$1.00 a bottle.

Refuse substitutes. There is none "just as good" as WARNER'S. Insist on having the genuine WARNER'S SAFE CURE. Substitutes contain harmful drugs which injure the system.

THEATRE MAN FINED
Proprietor of the Lyric Has to Pay Because Boys Drank.

Abe Smith, proprietor of the Lyric Theatre, a burlesque house on East Franklin Street, was fined \$100 by Justice Crutchfield in Police Court yesterday morning. John Page and James Pippin, youths under the age of 21 years, were fined \$5 each for going into the place and purchasing drinks. Smith was punished for selling intoxicating drinks to minors.

Mr. Harry Glenn represented Smith and made the plea that the boys had represented themselves to be of age. Justice Crutchfield held that the man was not blameless by this representation and fined him, and also punished the boys for entering the place.

In giving his testimony Chief of Police Werner said that the Lyric was one of the worst places in Richmond.

Otto Lewis paid \$5 for being disorderly and another \$2 for not having a light on building material.

Kate Lewis was sentenced to ninety days in jail in default of security for \$10,000, to keep the property of W. A. Weisiger. Mr. W. A. Weisiger became security for the woman.

Francis Chisom, a negro, who on Christmas Eve rammed Thomas Anderson, the leg with a bullet made of lead, will tell the grand jury about it.

GROUND UNDER WHEELS OF ENGINE
Jumped for His Footing, But Missed It and Fell.

A WELL KNOWN YOUNG MAN
Had Spent Three Years in Army and Once Tried for His Life.

(Special to The Times-Dispatch.)
SALISBURY, N. C., Jan. 12.—William Green, aged twenty-three, an employee of the Southern Railway Company here, was killed to-day by being run over by a locomotive on the Salisbury road. Green, who was a switchman, had just turned a switch and jumped for his footing on the moving engine, but failed to land, and fell under the wheels, which passed over both legs, practically severing the same from his body.

The injured man was carried immediately to a hospital for treatment. He seemed to realize that he was fatally injured, but never lost consciousness until shortly before death, which occurred about an hour after the accident.

Green was a well-known young man, and had a remarkable career, having been in the United States army for several years. At one time he was tried for his life in Rowan Superior Court for killing a negro in self-defense, of which charge he was acquitted.

Another remarkable fact is that Mr. James Earnhardt, of Rowan county, a bosom friend of young Green, who was present when the latter killed the negro, died near Salisbury yesterday.

PARDON FOR MURRAY.
Application to Governor Glenn to Reconsider His Case.

(Special to The Times-Dispatch.)
DURHAM, N. C., January 12.—Application will soon be made to Governor Glenn to reconsider the application of W. R. Murray for pardon. The facts that cause this second application for pardon are based on the report of a number of physicians, who state that they do not believe the prisoner can live out his term of confinement of two years.

Murray was sentenced to two years on the public roads for the killing of a white slave, J. B. Murray, Nov. 24th. This sentence was changed by a petition to Gov. Glenn, to two years in jail. The application will contain the family history of the prisoner, in which it is told that the family history for tuberculosis is bad. The prisoner is at present suffering from catarrh, bronchial cough and other troubles.

Since his confinement of four months he has lost forty pounds in weight.

DOCTOR ARRESTED.
Charged With Malpractice and Doctors Are Witnesses.

(Special to The Times-Dispatch.)
NORFOLK, VA., January 13.—Dr. Francis M. Morgan, of Berkley Ward, was arrested to-day upon the charge of a criminal malpractice on Mrs. Josephine Davis, of No. 62 Bermuda Street, a woman 37 years of age, who is now fourteen years old. Dr. Morgan is alleged to have been committed March 2, 1905.

Dr. Morgan was arrested at his home, on Berkley Avenue, this morning by Norfolk detectives. Having a Police Court examination, Morgan appeared before Judge A. R. Haddock, of the Corporation Court, and was bailed in \$500 for appearance at the next grand jury term of the Corporation Court in February.

Drs. Hargraves, Payne and Royster, together with Mrs. Davis, will be witnesses for the State before the grand jury.

(Special to The Times-Dispatch.)
NORFOLK, VA., January 13.—Rev. W. A. Smith Sunday night resigned as pastor of the First Baptist Church, of Lexington, N. C., after receiving a call from the Berkley Avenue Church. His resignation was accepted under protest, and immediately afterward a call was unanimously extended to Mr. Smith, urging him to remain with the Lexington Church.

Mr. Smith now has two calls under consideration, one from Berkley Avenue Church, and the other from the church he is now serving.

He will make known his decision next Sunday, and it is likely that he will come to Berkley.

City Water for Exposition Grounds.
(Special to The Times-Dispatch.)
NORFOLK, VA., January 13.—A conference of the City Water Board and the Water Committee of the City Councils was held last night to consider the proposition to extend the water mains to the Jamestown Exposition grounds. A resolution was adopted recommending that the City Council get authority from the State Legislature to run the city pipes into the county, which authority, if secured, would make it possible to run the pipes to the exposition. The Water Board favors the plan to run the pipes there.

PROVIDE HOME FOR THE WAYWARD GIRLS

Charter Granted Yesterday to Certain Ladies and Gentlemen for Graded Institution.

The Virginia Home and Industrial School for Girls was chartered yesterday. The association is composed of gentlemen and ladies whose names and influence will add influence to this noble movement in reaching out to save the girls of the State who are found drifting into ruin. Other States have such institutions, and while Virginia provides for boys, no provision is made for wayward and incorrigible girls. The association expects and hopes to receive the same aid from the State as Laurel School, Governor Montague commended the Legislature in his last message the importance of adding such an institution. This association was organized and chartered through the efforts of the State Conference of Charities and Corrections of Virginia, and the ladies furnished some of the best material of its membership to further this much needed charity to a permanent success. The following well known gentlemen and ladies constitute the association:

Dr. William F. Drewry, Mr. John L. Roper, Mr. J. W. Williams, Dr. Samuel P. Waddill, Mr. George B. Davis, Rev. J. T. Mastin, Mr. William A. Bowles, Mrs. Kate Pleasant Minor, Rev. J. M. Pilcher, Mr. Robert Gillman, Miss Matilda Gundry, Mr. Henry Fairfax, Captain Joseph E. Willard, Major L. T. Christian, Mr. Charles Hutcher, Mr. Joseph W. Billee, Governor A. J. Montague, Mr. J. Stewart Bryan, Rev. J. Sidney Peters, Mr. John G. Tilton and the names of the Governor, Secretary of the Commonwealth and the Attorney-General. It is very probable that a suitable farm will be donated for this work, and that funds will be raised to meet the needed demands for the erection of suitable buildings thereon. A bill will be introduced at this session of the Legislature to provide means for maintaining and supporting the girls, the same per capita as the boys at Laurel School.

The girls are to be committed through the courts in conformity with the general laws of Virginia. The Executive Council of the State Conference of Charities and Corrections has been called to meet at Petersburg, at the State Hospital next Wednesday, January 17th, at 2 P. M., as well as the charter members of the Girls' Home, to adopt by-laws and other important business. Dr. Drewry expects to have all present promptly at 2 P. M. to dine with him before transacting business.

In a series of entertainments given Friday night in the West End Christian Church for the purpose of bringing the

people of the church into a closer bond of familiarity and friendship, it was announced by Rev. Henry Pearce Atkins that the church had raised during the last year about \$500. Several other short addresses were made by others of the members, and the evening's entertainment closed with some singing and a short talk by Judge W. S. Gooch.

Exponent of Chopin's Work.
As an exponent of the works of Chopin, there is no pianist on the stage to-day who is so well known as Mrs. Anna Skudski, who will appear at the Academy on the occasion of the recital of the Richmond Choral Society February 8th. Mrs. Skudski, who has been called the world's best musical critics, has classed her work in the Chopin numbers as superb. The full inner meaning of the composer seems to have found, while the depth of feeling expressed in her marvelous tone-coloring nominates her as a musical interpreter of the highest rank. Mrs. Skudski will be the solo pianist, and Miss Francesca Kasper, of New York, and Dr. B. Merrill Hopkinson, of Baltimore, both singers of rare ability, will care for the soprano and baritone parts, respectively. Dr. W. H. O. McGeebe will direct the society chorus of 50 or more voices.

Church Dedication To-day.
The Fairmount Christian Church will be dedicated this afternoon at 8 o'clock. Rev. J. J. Haley, the pastor, will preside at the service, and at night Rev. F. A. Cave, of the Third Christian Church, will deliver the sermon.

This claim was paid within four days from receipt of proofs of death.

CARTER GLASS AND THE GOVERNORSHIP

Will Not Run Unless Expensive System of Primary is Modified.

Congressman Carter Glass, of the Sixth District, was in Richmond yesterday on a business trip, and while here was warmly greeted by his friends and members of the General Assembly. He was questioned on all ideas about the telegram from Washington to The Times-Dispatch, predicting that he would, in a few days, or shortly after Mr. Swanson's inauguration, announce himself a candidate for the Democratic gubernatorial nomination. Four years hence.

Mr. Glass treated the matter pleasantly with his friends, but to a Times-Dispatch man he said seriously that he had no idea of announcing any candidacy this far in advance, if at all.

"I would like to be Governor," he said, "but I would not be a candidate under a system of expeditious and exaction that in my view is totally wrong, if not intolerable, and that inevitably must lead to profligacy and all sorts of abuse."

"Suppose the existing method should be satisfactorily modified?" Mr. Glass was asked.

"Then I would very likely be a candidate for the nomination," he replied.

"But it is far away off, and many things will happen between now and the time when the people of Virginia will be disposed to seriously discuss gubernatorial candidates."

Mr. Glass left for his home in Lynchburg last night.

St. Anne's Benevolent Society.
Mrs. Elizabeth Dart, as chairman of the committee in charge of St. Anne's Christmas party, wishes to acknowledge the following contributors omitted from the first list published: Emanuel Miller, check for ten dollars; Mr. F. Hagmann, Mrs. H. Plageman, Mrs. L. Wendinger, Mrs. E. Carr, Mr. Moore, Mrs. Hunt, Mrs. Hogan, Mr. G. Y. Fulkner, Mr. Charles Mahoney, Mrs. Powers, Miss Kluesen Johnston and Wilson, and three donations of money, and Wallerstein Produce Company.

Dr. Sytle Goes to New York.
Dr. M. C. Sytle left yesterday morning to spend a few days with Dr. J. A. Bodine, professor of surgery at the New York Polyclinic Hospital. Dr. Sytle will return home Friday.

OASTORIA.
The Kid You Saw Always Brought the Biggest at

STOP DRINKING!
How to "Swear Off" Permanently! Orrine will destroy all desire for Whiskey and Beer.

One out of every seven drinking men swears off religiously at New Year's, but how few of the good resolutions are carried out. WHY NOT? Because the continual drinking in the past has weakened the nerve cells of the human system until the craving for drink has fastened itself so strongly that temptation cannot be resisted.

This is far too practical an age for "faith cure" fallacies. It will not now be contended by many sane persons that organic diseases can be cured by mental processes.

The medical profession has long since recognized the fallacy of attempting to cure a drinking man by his intense moral habits by moral suasion. Drunkenness is a disease, and no disease is more common and so seldom recognized. A victim of the drinking habit is no more a drunkard than a man with a cold is a sufferer from cold.

In the last few years, a scientific treatment called Orrine has made many remarkable cures of alcoholism or inebriety, or to use the worst term, drunkenness. So uniformly successful has Orrine been that it is sold under an absolute guarantee to refund the money if it does not cure the habit. What better evidence than this can be offered as to its power to destroy all craving for strong drink.

Orrine is prepared in two forms; No. 1, a powder, perfectly tasteless and colorless, which can be given secretly in food or drink. In this way the wife or mother can save the husband or son and change the drunkard without his knowledge. Into a sober, prosperous man. Orrine No. 2, in pill form, is for those who wish to be cured of their habit, and should be taken by every one who swore off at New Year's.

No matter which form of Orrine is used, the guarantee is the same. If taken according to directions, will permanently destroy the craving for liquor or the purchase money will be refunded.

The price of Orrine is \$1 per box. Mailed in plain, sealed wrapper upon the receipt of price. Write for free booklet on "How to Cure Drunkenness" (mailed in plain, sealed envelope, by the Orrine Company, Inc., Orrine Building, Washington, D. C.)

Registered Guarantee in every box

Read What the Polk Miller Drug Company Says About Orrine.

"In the three years that we have been handling Orrine, many individual cases have come under our notice where the preparation has been used with great success. Mothers and sisters have told us of husbands and brothers who, since they were given Orrine, in most cases without their knowledge, all desire for drink seems to have disappeared, and much comfort and joy has now appeared in once desolate homes. We have never had anything but what was good to say about Orrine, and have previously written you from time to time of our absolute confidence in it. As a rule we do not care to handle such preparations, and until the agency for Orrine was given us, we took no notice of preparations of like nature. We feel sure that in handling this preparation we are doing a great deal of good. We have absolute confidence in Orrine, and it is a pleasure for us to recommend and vouch for its merit."
